

2022 - 2024

School Improvement Plan Summary

Oodnadatta Aboriginal School

Goals	Targets	Challenge of Practice	Success Criteria
To increase student achievement in Reading.	<p>2022: Click or tap here to enter text.</p> <p>2023: 40% (4 of 10 students) will meet SEA in PAT-Reading at the test level they are assigned.</p> <p>2024: 40% (4 of 10 students) will meet SEA in NAPLAN Reading.</p>	<p>If we structure whole school reading lessons with particular emphasis on Oral Language, Vocabulary, Synthetic Phonics and Vocabulary in the early and middle years, then student achievement in reading will improve.</p>	<p>Student Success Criteria (what students know, do, and understand):</p> <ul style="list-style-type: none">• When we talk with students in the Early Years, they will be able to say the sounds they know and blend letters to make sounds.• We will hear students using decoding skills when they read unfamiliar texts.• When we listen to students in the Middle Years, we will hear them use language fluently for varied purposes and audiences to achieve their goals.

To increase student achievement in numeracy.

2022:

2023:

40% (4 of 10) students will meet SEA in PAT-Math at the test level they are assigned.

2024:

40% (4 of 10) students will meet SEA in NAPLAN-Maths.

If we structure whole school maths lessons to achieve consistent evidence-based teaching, we will improve student numeracy achievement.

- We will see early year students demonstrating a deep understanding of the fundamental concepts of number.
- We will see each student demonstrating number computational strategies relative to their year level including demonstrating problem solving and reasoning.
